

Dear Ladies and Gentlemen,

We would like to bring to your attention the new IGC solution – Internet PR. Internet PR is a conceptually new solution with integrated SEO services, internet marketing, and other website promotion tools. The objective of Internet PR is to provide an overall solution to enable you to create a positive image of your company and improve its online competitive position. Internet PR will contribute to the development of your website and will allow it to reach top positions in search engines such as Google, Yahoo, MSN, etc.

Certainly, we are able to provide you the positive comments you need in the global network and attract new visitors to your website.

If you need any further information, please do not hesitate to contact our team, and it will be a pleasure for us to help you!

Best regards,
Georgi Hristov
